Onur Ravli Full-Stack Developer

onur@onurravli.com • onurravli.com • linkedin.com/in/onurravli • github.com/onurravli

Summary

I am experienced in full-stack development with proficiency in TypeScript, Python, and Java. I have worked with various backend and frontend tools, including Node.js, Express.js, Spring Boot, Django, React.js, React Native and Next.js. Now, I am currently seeking opportunities to further develop my skills and contribute to innovative projects within the tech industry.
